

This document is about the Zionist document which has stirred up much controversy, and many people use this as the reason for blaming Zionism and Israel and ultimately the Jewish people.

Joseph “Doc” Marquis who was raised in an occult group called the illuminati. He was born in 1956. He had become a high priest at age 13 and a master witch at 17 but severed ties in 1979 when he became a believer in Messiah. At which time he had multiple death threats and attempted assassinations upon his life, which he claims were unsuccessful because Yah/God told him He would protect him and did so until he passed in 2018.

He states that beyond a shadow of a doubt the protocols of the Learned Elders of Zion is a coded, illuminati document. Any document that the illuminati produces will usually be written in a code and if you don't know the code will think it means something else.

And it's the same with the protocols of Zion which are actually the minutes of the meetings of the order of the illuminati. It was first created by Dr. Adam Weishaupt who was the very first head of the order of the illuminati and wrote out a seven part plan for global conquest.

In 1773 Dr Adam Weishaupt who was a Jesuit priest started an audacious plan, one that had such size and scope, that it bordered on impossible. However, the powers of Satan know no limits to their personal ambitions.

As The founder of the Order of the Illuminati, which was founded on May 1st, 1770. Adam had written out a plan that he felt sure would create a New World Order. That seven part plan is:

- 1) Abolition of all Order Governments
- 2) Abolish Private Property
- 3) Abolish Inheritance
- 4) Abolish Patriotism
- 5) Abolish Family
- 6) Abolish Religion
- 7) Creation of a New World order

No one knew of the existence of this plan, because the protocols were secret documents relating to the plans of the illuminati.

However, one woman back in the late 1800s was working for one of highest ranking free masons at the time.

Because illuminati had already taken over the free masons back in 1786, this masonic head person

would've been at the same time a member of the order of the illuminati.

Now that's not to say all freemasons are members of the illuminati.

Anyone who comes from Free Masonry, who is in the order of the illuminati, or is a 33rd° Mason would have also received their first degree as a first level priest in the order of the illuminati which is also known as a Druid Priest.

Masons who had received the first- degree when they were initiated, are the ones in the order of the illuminati.

That masonic leader had in his possession a copy of the protocols or what became known as the “protocol”. This woman when she was going about her duties happen to come across them, and when she read them, she was so frightened by them that she stole them, and gave them to her husband and her husband gave it to a Greek orthodox priest in Russia that he knew.

The priest held on to those protocols, somewhere between 5-10 years because he was so afraid of them. He didn't know what to do.

Eventually, he handed them over to Serge Nilus and that was the person who would eventually have these protocols printed originally in Russian.

He was Russian correspondence from England, his name was Nigel. He found a copy of them in the London library and because he was a Russian correspondence to Russia for years, he could read by and speak Russian fluently.

When he saw the protocols he printed them as they were, without realizing he was printing a coded document. Once the code was applied you will see for yourself those plans and the protocols speak of future plans that would take more than 100 years to complete but we see them happening today.

That's the thing people need to know about the protocols. It's not some sort of Jewish Zionist conspiracy of anything like that no, the illuminati want you to believe that because of the way they wrote the document.

Scripture tell us that throughout the ages, Jewish people, and we know this is true, are literally going to be blamed for everything that goes wrong in this life. That is the sad part about it.

Jewish people in the original order of the illuminati known to us as the Rothchilds and many other families in Portugal, England, France, Germany who have Jewish bloodlines.

Doc Marquis knew the old bloodlines because he was part of it. He was a seventh generation Illuminati witch whose family background goes back to 1789.

Which is where most of the information which we are writing about comes from. His deciphering of these documents has given us the ability to learn from them.

He came from a very very old bloodline. So it was not just Jewish bloodlines, it was people from just about every nationality you can think of.

And if you want to know who is in it then turn your eyes to towards the Bohemian Grove. That is what Doc Marquis called the summer camp for the illuminati. Because that's exactly where it is they go and worship the 40 foot owl in the center. And by the way for clarification, that is not Moleck as some people have stated.

It is on the owl of Athena, and it was chosen because the name "illuminati" comes from the Latin word which means the bearers of light or the wise ones.

Adam Weishaupt - His codename was Spartacus. To this very day, all the members of the order of the illuminati have coded names. Things are coded so that no one can ever have the finger pointed at them. It is the same thing with all their writing

There are hundreds of books in the Masonic library and at least half of them are coded. You would have to have been an illuminatist so you could read the code.

The purpose of them coding it the way they did in writing, was because the Protocols were like instructions to each other. This way only true members of the order of the illuminati could read these books. Anyone else, would think that these Protocols represented some sort of the Jewish Zionist conspiracy. When there wasn't one and there has never has been one.

But when we look at documents such as the protocols and such, they added in other things. They purposely lead you to believe that there is some sort of Zionist conspiracy going on.

The Rothchilds are a high up illuminati family., The Rothschilds, are still the head of the order of the illuminati even to this very day. Today it would be Evelyn DeRothchild, since he's the oldest son he would be the head of the order, Evelyn is the eldest and since

he's the oldest, it goes to him automatically. Jacob is the second oldest in his house so when Evelyn passes it'll go to Jacob Rothchild.

The Rothchilds became the actual of head after Josphe Stalin. They first put Vladimir Lenon as the head of the Russian Empire. Just like Joseph Stalin after Vladimir Lenin was purposely overthrown and murdered they put in Stalin.

They purposely did the same thing to Stalin. It was in between Stalin and Lenin that they(Rothschilds) finally realized that they were going have to take it themselves, because quite honestly, the people they (Lenin and Stalin) were choosing we're getting too big for their britches and would stand up against them in the illuminati.

Well, you know such a mistakes are easily rectified, they got rid of Lenin by poisoning him. They did it to Stalin as well.

One of the greatest puppets that they ever put into power was Adolf Hitler, but Hitler tried to broker a deal between himself and Edward the eighth and when the illuminati found out about that they brought him down and they brought him down quickly.

Giuseppe Mazzini was the second head of the order of the Illuminati. It was because of him that Albert Pike, who was a southern general for the south during the Civil War. Mazzini guaranteed and brought Pike to his position as the supreme commander of the entire southern jurisdiction of masonry.

That was because of Mazzini, and interesting fact, while Albert Pike was rotting away in prison, the president who happened to have been, a fellow Mason pardoned him. That's how he got out of prison, it took a fellow Mason to do it, because he was guilty of high treason against the United States. That, is a life sentence or death, depending on, the decision of the court. But in this case, he was pardoned by a fellow mason, and after he got out he, re-worked all of the masonic rituals to where they reflected the belief system of the order of the illuminati.

It was also Pike and Mazzini together, who came up with the three fold plan to take over the world, thru three separate world wars. The first two have happened spot on. It is exactly as they planned it, and it certainly shaping up the third one as you can see by reading the play by play operation.

The third one begins by telling us that they're going to get the Islamic nations to rise up against Israel and

start a war. This is exactly what we are seeing happening in our day and age right now.

We can see the illuminati is ramping up their plans with what was proposed for this third world war. Just take a look at the last five years we've had more Islamic terrorist attacks around the world then people would've thought it would've ever happened.

England has had a bombing every single month in March, April and May. England has obviously been targeted.

Most of us in America have no idea about this, some sort a terrorist attack has happened on American soil by the Islamic people back as far back as 1972 .That is when we had our first attack by the Islamic people.

Most of think us think 9/11was the first attack. From 1972 well into present-day there has been well over 65 different terrorist attacks on American soil. Even though many attacks have been found out and been foyled. There would've been a heck of a lot more except a lot of them have been discovered and stopped.

The problem is we have and it can be verified- at least 25 different terrorist camps are on American soil right

now, and yet the federal government isn't doing anything about it.

The illuminati's plan for Israel.... wait, we have to go back a little. In order to understand the Jewish mindset, you need to know that they are looking for the Messiah to come.

They don't believe Yeshua /Jesus was the Messiah because He didn't come on their terms of expectation.

They were expecting some sort of holy general that was going to sweep down, and keep the Romans out of that part of the world forever and they would just reclaim all the land.

That's not what the Bible stated but that's what they wanted and understood. When they didn't get what they wanted they rejected Him, however since then the hand of God has been upon them, and it will not be removed until they are betrayed at the third Temple, by the antichrist will sit upon the throne, and proclaim himself to be god.

Only then will the hand of God be lifted from them. Now that being said, knowing that the Jewish mindset is trying to still bring in the Messiah, as quickly as possible.

Back in the late 1800s around 1868 somewhere around there and there are documents to prove it. There was a Jewish rabbi who explained to the Rothschilds that if they would buy the land upon which the temple mount rests and the land around it, they would be able to offer up the perfect offering to God, which will bring in the Messiah quickly.

This was published in the Vanity Fair magazine in 1868-1870 which it clearly stated that the house of Rothschild bought the temple mount and literally thousands of acres around it. They own and control the temple mount.

It makes perfect sense that they would want it because the prophecy states that the antichrist is going to rebuild the third temple and who better than one of their own to do it and if they're going to do it they've got to make sure they own the land to built it upon.

Maybe not even 15-20 years after that they bought all the land in the area that we know is now called Mt. Zion which is one of the biggest and most thriving cities they have in Israel.

It was bought again the entire land and everything by it by the Rothchild family. Somewhere around the 1900s early 1900s representatives Mt.Zion sent a letter with a number of their representatives to meet with the

Rothchild family in England, and basically tell them if you would take your hands off of this land we can make it thrive because quite literally it was being run into the ground and the Rothchild family, who was the head at that time told those people that he build the Mt. Zion alone, and that he alone would determine what shall happen to it.

The Rothschild's reason for creating the supreme court building which is also illuminati also Masonic.

Have you ever seen a map of Washington DC? Do you know it's based on certain illuminati and masonic occult symbols?

Creating the supreme court building which is so illuminati, If have you ever seen a map of Washington DC do you know it's based on certain illuminati and masonic occult symbols. Doc Marquis was shown the Maps- It was less than a week after he got saved. It was the same thing that you can see on the back of a dollar bill.

Washington DC was originally laid out in 1791 under the orders of the illuminati in order to form these occult symbols. They already had their the agents in place.

The two seals on the back of the dollar bill are seals of the illuminati. The same thing with the maps Washington DC.

George Washington warned of their infiltration into American politics. John Adams the third president was the one who fought against Thomas Jefferson because he knew he was a part of the order of the illuminati and he fought against him for the presidency and he won.

George Washington he was actually a 3 degree mason. He was known in what is called the "blue lodge". Below are listed are the rankings.

The first three steps are:

- 1) apprentice
- 2) excepted apprentice
- 3) Master mason

- 4) At that part of the game if your in the blue -lodge and you say that you will learn nothing about masonry and that's it. All you will end up doing, your paying your dues every year. The reason most people will never get out of the blue lodge is because they joined the masons just to get all the good deals. You know that expression and "we're gonna give you a square deal" it comes from the Masons.

Every mason is obligated by their oaths to give a fellow Mason the best deals they can. So let's say they sell something for \$100 on which is at retail but they bought it wholesale at 10 bucks, under their obligation, they're obligated to give it to their fellow mason for just \$10.

Example: In New Zealand there is a person that works in a bank and he said normally in the bank you can see the records of anybody that comes in to do a transaction, but if it's somebody High up in the Masons that screen automatically goes blank and the teller or whoever's working cannot actually see anything about the transaction that they're doing.

Well it's the same thing with here in America. Did you know that the president Trump is a 3rd degree mason? He is a master Mason. He has been in the Mason's since early in the 80s. But again we have to remember one thing and it's important to note. He's only a master mason a third-degree mason. He's been in now for 30 something odd years.

If he was interested in becoming more he would've gone well beyond 3rd degree, but the only reason he staying there is again because of all the business deals.

Think about this for a second let's say Trump Towers it would normally cost about \$1 billion to build. Because

he's a master mason. He could get all the materials and labor and everything bottom price so he would literally save at least half \$1 billion, that's a good reason to join the Masons at least from a businessman perspective.

But you should never join them because they are so anti-Christian and they do worship Lucifer. Albert Pike's writing about masons is the pure doctrine of Lucifer in the morals and dogma. In the book he said "that what we say to the crowd is this.. you may repeat to the brethren of the 30th, 31st, 32nd and 33rd° religion should be held by all of us high initiates in the purity of the Luciferian doctrine. Only 30° masons and above are allowed to know this. He said *may* know he didn't say definitely will tell them. He said they *may* know. So they're still at that point, making sure that the person who they are to entrust with their secrets is worthy of and will keep them because you don't just go tell everyone you are in the order of the illuminati.

Going quickly back to George Washington there is a lot of miss information out there because there's a lot of people out there saying he was a 33rd° mason.

George Washington earned his 3rd degree understand that 33rd° in Masonry, is what is known as the "Sovereign grand instructor general" that's an honorary title that is not actually a degree.

Most Presidents have been given that honor to this very day. This title will be given to the President if he wants to accept it and the person want to accept it.

The reason it's honorary and I'm gonna explain something to you very few people will ever hear. For presidents who have been given that honorary 33rd there is a ceremony. The initiation ceremony.

Once it's done, the candidate will be brought to a room and he'll be left in the room. There will be a person to the bottom left-hand corner of that room when he enters a big room, there's gonna be two thrones. On the left-hand side will be the complete regalia of a priest, on the other side will be the complete regalia of a monarch like a king or emperor.

The person inside the room will say, one, and only one word to the candidate. He will say "choose", if the candidate of the 33rd degree chooses the regalia of a monarch he will be given a pat on the back and a hand shake, and they'll usher him out of the room.

Now if the person chooses the regalia of the priest. He will then be taken out of the building and driven somewhere else to where he will be fully initiated as a first level illuminati witch.

You see you see there's a very saying in the order of the illuminati "It goes let kings be kings let the priests be priest and the bankers be bankers" The saying mean let, whoever wants to run the country, run it, because everyone knows the priests are the power behind the throne And the powers behind the priests are the money. That's why if they choose the regalia of a priest that means they achieved and they have received the right amount of enlightenment to become a priest now, but in the order of the illuminati, they've been moved up.

In this document there is probably information you have not heard before. If you had family members that ever made a vow to join the freemasons or a variation of some secret sect (which most of us have in our bloodlines) you can check out the document-[Freemason Renunciation PDF](#) in the blog about renouncing or coming out of agreement with those vows to get your families bloodline off the foreign altars that dedicated your bloodline to Lucifer.

Most took the vows without really understanding what they were doing. Eastern Star, the female part of the freemasons, Rainbow girls, De Molay all of these must be renounced so that our bloodlines are sanctified back to the God of Abraham, Issac, and Jacob.

May God/Yah reveal to you all that is needed to set you free to be able to live in His freedom not bound by the curses but the blessings He desires for you to have so that you can become and receive all that He has created and designed you to be. To reach the fullness of purpose and destiny He desires and designed for you.
